Sir:

I, David Mobley, do swear:

1. I am the President of Arabesque Fragrances Mfg., a division of Mobley Products, Inc.
2. We have been selling the wafers embodied in the above-referenced patent application since March 1999.
3. During the period from March 1999 through July 2000, we have seen substantial increases in sales as shown in the attached chart summarizing the sale of "Arabesque Wonder Wafers".
4. While some marketing has gone into the product, the marketing is not out of line within the industry and I have not personally seen such sales growth in other air freshening products.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
